CHERUKURI SAI SHARMILA

cherukurisaisharmila@gmail.com | +91 9014460082 | Vizianagaram, India

CAREER OBJECTIVE

Motivated Computer Science Engineering student with a CGPA of 8.8 and a strong foundation in C, Python, Java, SQL, HTML, and CSS. Experienced in developing academic projects involving AI agent execution monitoring, networking using Cisco Packet Tracer, and Arduino-based automation systems. Possess strong problem-solving and technical skills with an interest in software development, networking, and emerging technologies. Seeking an internship or entry-level opportunity to apply technical knowledge, contribute to real-world projects, and gain industry experience.

EDUCATION

B.Tech in Computer Science and Engineering | 2024 – 2028 Lendi Institute of Engineering and Technology | CGPA: 8.51

TECHNICAL SKILLS

- **Programming Languages:** C, Python, Java
- **Database:** SQL
- **Web Technologies:** HTML, CSS
- **Tools:** VS Code, Microsoft Excel, Power BI

PROJECTS

AgentGuard: A Web-Based Framework for AI Agent Execution Monitoring and Error Verification

- Developed a web-based framework for monitoring AI agent execution and tracking actions, inputs, and outputs.
- Implemented error detection and output verification to identify execution failures and incorrect results.
- Designed a monitoring dashboard providing execution logs, status updates, and verification reports. **Smart Headlight Control Based on Light and Intensity Detection**
- Developed a smart headlight control system using light intensity and distance detection to automate vehicle headlight operation.
- Integrated Arduino, LDR, and ultrasonic sensors to detect surrounding light conditions and approaching vehicles.
- Automated high/low beam switching to reduce glare, improve visibility, and enhance driving safety. **Network Design – Cisco Packet Tracer**
- Designed and constructed a network branch topology using Cisco Packet Tracer, configuring devices and connections to simulate a working network environment.

INTERNSHIP

Virtual Internship — AICTE | Completed

- Completed a virtual internship under AICTE, gaining exposure to industry-oriented tools and practices.

CERTIFICATIONS

- Cisco Certification (Networking)
- NPTEL
- DBMS (Database Management Systems)
